

ANNUAL IMPACT REPORT

2025–2026

40 years of community investment in Mason schools

MASON PUBLIC SCHOOLS FOUNDATION

Our Community. Our Bulldogs. Our Future.

A Community That Gives

A message from the Foundation

For four decades, the Mason Public Schools Foundation has helped turn community generosity into opportunities for Mason students, educators, and schools.

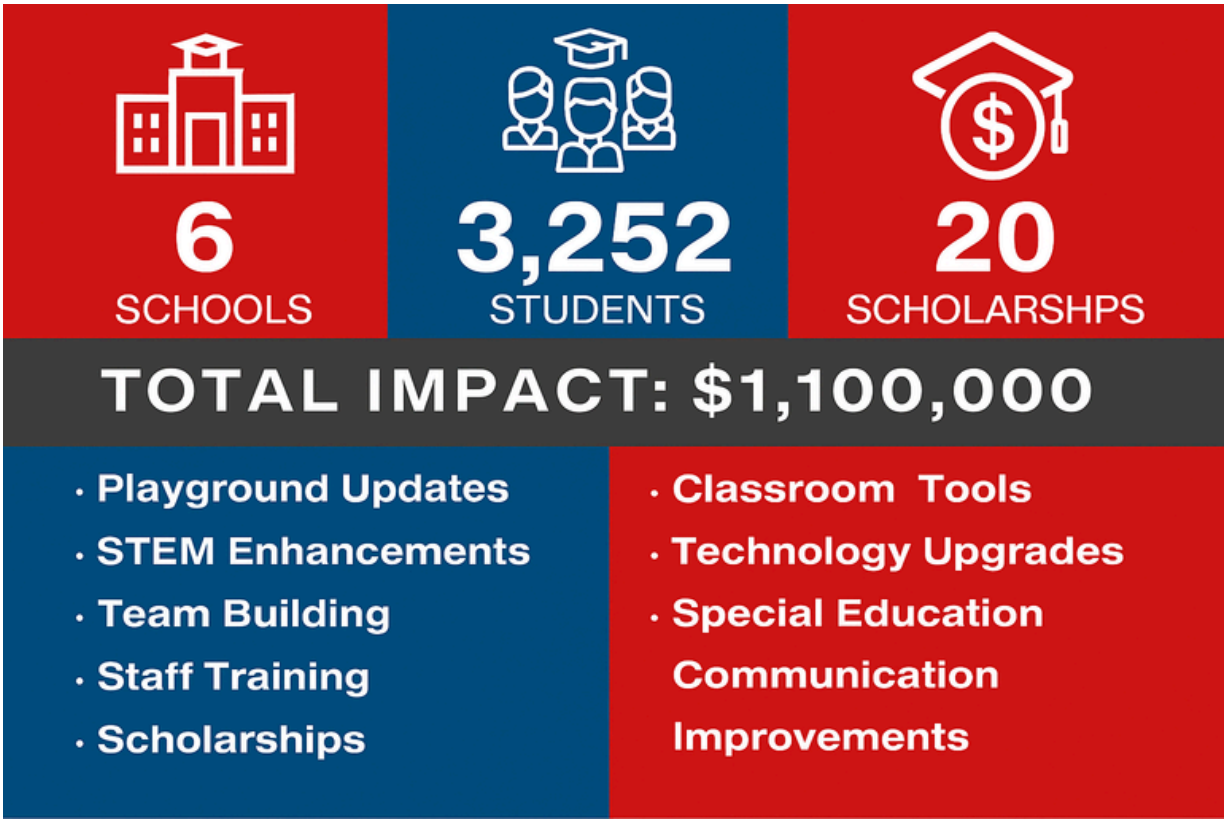

Our work is made possible by local businesses, families, alumni, volunteers, and donors who believe that strong schools help build a strong community.

As we look ahead, our priorities include strengthening year-round giving, connecting with alumni, and making it easier for supporters to participate in our mission.
